

MERIDIAN LIBRARY DISTRICT

ANNUAL REPORT

OCTOBER 1, 2017 - SEPTEMBER 30, 2018

@MeridianLibrary #myMLD

LETTER FROM THE DIRECTOR

When I look back over the last year at MLD my heart swells with pride at the hard work, tenacity, creativity, and compassion that library staff demonstrates and expresses each day. While the Board of Trustees and Administration do the work of strategic planning and long-range facility planning to address the impacts of growth, the library staff at all levels, all locations, and all departments, consistently deliver high-quality service each and every day.

I'd like to share with you just one example:

Earlier this year I received an email from a grandmother who wrote to share how much her family appreciates the library. More specifically, she is helping to raise her grandson and the family couldn't afford preschool, but they regularly attended our preschool storytime as well as other free library programs for children. She wanted to tell me that her grandson had successfully registered for Kindergarten and passed all the measures with flying colors. He was prepared for school because they took advantage of the high-quality educational programs offered at our library.

At MLD we have over 80 enriching programs taking place each week at our locations. **Our library brings neighbors, friends, and families together in a place that makes it possible for anyone to feed their curiosity, build knowledge, and learn new skills.**

Books are Just The Beginning. The library isn't just a quiet place for learning. **Our libraries are dynamic community centers that allow Meridian residents to come together around shared goals and interests.** We look forward to connecting with you in 2019!

SIGNIFICANT ACCOMPLISHMENTS

NEW LOCATION

The Meridian Tiny Library fully opened to the public October 1, 2018. Planning and preparation for the opening occurred in the 2018 fiscal year. The Tiny Library is a repurposed shipping container transformed into an interactive learning space for families with children, ages 0-5. The Tiny Library is open 20 hours per week, Monday-Saturday with morning and early afternoon hours of availability.

TINY LIBRARY, BIG IMPACT

In Meridian, Idaho only 67% of children enter Kindergarten ready to read. Studies show that children who enter Kindergarten unprepared are more likely to fall behind in school and are less likely to graduate from high school, go on to college, and succeed in their careers than those who have attended high-quality preschool programs. Idaho is one of only 6 states that does not currently invest in public preschool options. 62% of Meridian parents say there is a lack of affordable, high-quality early childhood programs in their area.

SIGNIFICANT ACCOMPLISHMENTS

- **Gretchen Caserotti**, library Director, was awarded first place for Penguin Random House Library Awards for Innovation, resulting in \$10,000 for the Tiny Library. She was also appointed as the Chair of the ALSC Budget Committee and elected to the McClure Center for Public Policy Research Advisory Board.
- **Megan Egbert**, District Programs Manager, was selected for the 2019 Caldecott Committee (work is done during 2018).
